Dear Family, Friends, Supporters, and Collaborators of Inner Reflections:

Inner Reflections has sown into the lives of approximately 400 families in 2009 and thousands of families since its inception in 1984. Many have been positively influenced through counsel and as a result, are leading healthy lives. Though we have made many accomplishments in the past 25 years, including the publication of my first book "The Parent Anointing", speaking engagements in multiple states and countries; and many motivational, inspirational, and educational workshops, it is now time to take our ministry to the next dimension and I invite you to share with us on this journey.

As we move into 2011, I am asking you to **sow a seed** into our ministry. We are believing for exponential growth in the number of lives touched and I need your support in bringing this vision to pass. Among the goals are the publication of a children's book, the expansion of a counseling institute, a building project, a blog site, and numerous other projects for the expansion of the Kingdom of God.

Visit our website at [www.barbaragreenministries.org](http://www.barbaragreenministries.org) and **sow a financial seed** or mail a check to Inner Reflections with the expectation that it will reap a harvest for you. Because Inner Reflections and Barbara Green Ministries are good ground, you can expect a return of 30, 60 or even a hundred fold, by faith. A donation in any amount to Inner Reflections helps to expand a ministry that encourages people in tough times, strengthens marriages, builds strong families and guides individuals.

In appreciation of your financial gift of \$25 or more, I will send you a **CD of inspiration** for 2011. You will be encouraged and fortified as you build yourself up in your most Holy faith!

Thank you for all these years. With your help, we will be here for you many more years to come, in Jesus' name.

Sincerely,

Barbara W. Green, M.Ed., LPC
